FAQs

WHERE DO I GET THE HOP ON HOP OFF BUS?

Bus stop no. 5 is across the main road from Titanic Belfast (Queens Road, cross at traffic lights). They usually run every half hour from 10.00–16.00 and arrive at the Titanic Quarter 5–10 minutes after departing from the city centre. Visitor Services has daily updates on the times and languages they offer.

You can book your tickets or buy on board the bus.

HOW DO I GET TO THE CITY CENTRE?

ON FOOT: Walk past SS Nomadic and follow the river alongside the SSE Arena to the pedestrian bridge. Once across, walk straight ahead past the Albert Clock (leaning tower) onto High Street. If you want to continue to City Hall, walk down the street and turn left at McDonald's.

BY BUS: The closest bus stop for the city centre is across the road from SS Nomadic. Take the G2 (Glider) to the City Centre. You need to purchase your ticket from the ticket machine at the bus stop before boarding.

BY CAR: We recommend leaving your car in the Titanic Belfast car park and walking or taking the bus to the city centre. However, if you want to drive into Belfast, there are many multiple-storey car parks to avail of. To get to the city centre, drive along Queen's Road past SS Nomadic, turn right at Premier Inn and follow the road past the SSE Arena/Odyssey. After the roundabout, take the slip road to your right. Once you have crossed the river, turn left for City Hall or go straight ahead for the Cathedral Quarter.

HOW LONG DOES THE TITANIC EXPERIENCE TAKE?

The Titanic Experience is a self-guided tour that will take you about 2 hours. A visit to SS Nomadic (included in your ticket) will take an extra 30 mins.

IS THERE WI-FI?

There is free Wi-Fi throughout our building. The network is TITANIC_GUESTS and there is no password. Please, note that signal is the strongest in the Atrium.

HOW CAN I GET A TAXI?

There's a free phone located in the middle of the Atrium, which will automatically call our taxi partner company Value Cabs. The pick-up point is on level -1, at the exit to the car park.

WHAT ELSE CAN I DO IN THE AREA?

There is plenty to see and do in the Titanic Quarter! Take a stroll along the Maritime Mile to explore Belfast's maritime legacy:

- HMS Caroline, a former WW1 vessel, is located a short distance from us, behind Titanic Studios.

- A little further down the road, you will find the Pump House and Dry Dock where Titanic was fitted out. It has now been turned into a distillery – The Titanic Distillers – and can be visited. They also offer Thompson Dry Dock only tours daily. Booking is highly recommended.

- Walk down Hamilton Road (across the Titanic Hotel) for a closer look of Belfast's iconic cranes, Samson and Goliath (towards the Sydenham Road).

- For a family-fun day, why not head over to the W5, just a short walk from us? This science museum is a great educational place for people all ages!

CAN I EAT MY PICNIC IN TITANIC BELFAST?

Only food brought in our cafés and The Pantry can be eaten on the premises. There are some benches on the plaza and the Slipways where you can have your picnic.

You can also bring your picnic to the Dock Café (just past SS Nomadic). The café is open Tuesday–Saturday, 11.00–16.00.

WHAT ELSE CAN I DO IN THE CITY?

- Belfast is home to Victoria Square and Castle Court Shopping Centres, as well as a wide variety of local and international brands in an easily accessible city centre.

- City Hall is one of Belfast's most iconic historic buildings, and the ground floor is open to the public with a free exhibition, a gift shop and a café. Daily guided tours are available free at 11.00, 14.00 and 15.00 on a first-come first-served basis, and the Titanic Memorial Garden is located in its grounds.

- In the south of the city you will find Queens' University and the adjoining Botanic Gardens, with its Palm House and Tropical Ravine. In the grounds of the gardens is the Ulster Museum - free to enter, it is where you will see great collections of art, history and natural sciences. Open Tuesday–Sunday 10.00–17.00 with a gift shop and café (no car parks nearby).
